Memo to File:

RE: Energy Fuels Nuclear
Proposed Straight Creek Mine
Garfield County, Utah
ACT/017/018

The proposed Straight Creek Mine of Energy Fuels Nuclear was inspected on August 15, 1979 by Jim Smith and Mike Thompson. They were accompanied by Dean Roberts of the company.

The mine site is proposed to be located on an undisturbed site located in rolling hills on the flanks of the Henry Mountains. The general area has several small operating and abandoned uranium prospects.

For specifics of the site and proposed operation consult the Executive Summary prepared for the project.
